Allowable Subject Matter

1. Claims 2, 13-23 allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 17, the cited prior art of record fails to disclose or suggest a method for manufacturing a semiconductor device comprises the limitation of "wherein the exposing of the upper surface of the wiring of the semiconductor substrate to the liquid is performed concurrently with the exposing of the upper surface of the semiconductor substrate to the light source radiating light", in combination with the rest of the limitations of claim 17.

Regarding claim 18, the cited prior art of record fails to disclose or suggest a method for manufacturing a semiconductor device comprises the step of exposing of the upper surface of said wiring using a liquid applied to said semiconductor substrate and a light source radiating light onto said semiconductor substrate, in combination with the rest of the limitations of claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
